Course delivered by VLUK at The College, Complete Dance Studios

WELCOME

The College at CDS is excited to be working in partnership with VLUK to deliver this highly practical Performing Arts programme.

Our commitment is to ensure students are made to feel inspired, supported and nurtured whilst given the opportunity to reach their full potential.

We are proud to offer a platform for individual growth and the stepping stones towards an industry career or graduation into advanced vocational training.

We hope you enjoy your time with us....

DECIDE, COMMIT, SUCCEED.

THE COURSE

This is an exciting Full Time course designed for 16 to 18 year olds who wish to prepare for vocational training followed by a career in the Performing Arts Industry.

It is a highly practical course with studio based classes, enhanced by a variety of contextual studies that directly relate to the dancers experience of rehearsing, performing, creating, researching, appreciating dance and safe practice. In addition, you will have access to unique performance and dance leading opportunities throughout this two year course.

The RSL Level 3 Extended Diploma is a Fully Funded programme.

You will be taught daily technique classes by our exceptional teachers alongside opportunities to work with leading industry professionals during half termly workshops.

Training will include

Classical Ballet
Jazz Technique
Musical Theatre
Tap
Commercial Jazz
Stretch and Body Conditioning
Lyrical/Contemporary
Acrobatics
Latin
Acting
Singing
Optional 1-to-1 Singing (Charges will apply)

Students will apply a range of skills, knowledge and understanding in preparation for vocational training, study or employment.

Units provide learners with the knowledge and understanding of advanced concepts such as the style and context of performance genres, audition techniques, planning, repertoire, rehearsal schedules, the nature of performance, leading dance activities, collaborating with others, health and safety, technical requirements and reviewing and analysis of performances, and a solid grounding of practical & technical skills that will prepare them for employment or to be developed in further studies.

Students will be encouraged to take responsibility for their own learning process. Many assessment tasks will be learner led, with an expectation of a high level of initiative and self- motivation from the student.

WHO IS THIS COURSE FOR?

The Level 3 Extended Diploma in Creative and Performing Arts will equip students with specialist knowledge and skills, enabling entry to vocational training, industry specific employment or progression to a related higher education course at university.

Entry Requirements

It is advised that students have had previous performing arts training either in vocational outside of school classes, or at GCSE level.

Students must gain five GCSE's Grade 4 or above, with a minimum of grade 4 in Maths and English preferred.

Please note, entry to the course is through an audition and interview process.

Pathways

The course is built around a set of core units designed to develop the fundamental techniques and principles of the performing arts. From here, students can select additional units which allow them to follow either a **Dance** or **Musical Theatre** pathway.

The course is the equivalent of 3 A Levels, providing UCAS credits that can contribute towards achieving a place on a University Degree Course.

Many students may choose to audition for Vocational Performing Arts College, and will be supported and mentored through their auditions and applications as part of the course.

The RSL qualification is well recognised by all establishments.
